Title: Problems being faced by people due to dilapidated condition of National Highway No. 63 between Hospet and Joladakasi, Karnataka.

SHRI G. KARUNAKARA REDDY (BELLARY): Thank you Hon. Chairman Sir, today through you I would like to draw the attention of the Government of India towards the pathetic condition of the National High Way No. 63 passing through Bellary district in my state Karnataka. Since 3 years after having elected as a Member of Parliament I have made several representation to the Government to look after the proper maintenance of this road. It is very unfortunate that even today there is no road for about 30 kilometre between Bellary and Jolada Rasi, which is at the border of Andhra Pradesh. I brought this to the notice of the Ministry of Surface Transport and the Hon. Minister. But Hon. Minister has not paid attention in this. That is why people of this region think that the Surface Transport Ministry and its Officials are not doing anything for them and their functioning lacks humane touch.

* English Translation of the speech originally delivered in Kannada.

Therefore I urge upon the Government through you to take immediate steps to repair this road within 15 days. If the Ministry of Surface Transport fails to take steps in this regard people of this region may come to street to protest against this negligence on the part of the Ministry. It may lead to an ugly situation. The same National High No. 63 in the Andhra Pradesh up to the border of Karnataka has been repaired. But it has not been repaired in my state. I can say that roads in villages are far better than this National High Way. Therefore, through you I urge upon the Government to take all necessary steps to improve the condition of this road.
